

A CHECKLIST OF THE
RECORDED PROCEEDINGS OF THE
SASKATCHEWAN LEGISLATIVE ASSEMBLY

Saskatchewan Archives Board, Regina
1988

Introduction

The Saskatchewan Legislative Assembly was one of the first legislative bodies in the world to tape record its proceedings. It adopted the method to aid in the publication of Hansard in 1948.

Until 1974 the tape recorded version of the Debates and Proceedings was considered as disposable after the typescript of the proceedings was prepared. Since the fifth Session of the Seventeenth Legislature, however, the recordings have been preserved systematically and provide an excellent companion to the published Hansard. This collection also contains tapes from the 1956 Session and a selection of recordings of meetings by Standing Committees as well as the Crown Corporation Committee.

Television was introduced into the legislative chamber in 1983. Beginning with the Second Session of the Twentieth Legislature, the Debates and Proceedings are preserved on video tape and beginning with the Third Session of the Twenty-Fourth Legislature are preserved on digital video discs. The recordings are listed chronologically with the corresponding call number.

Tape duplicates containing the proceedings of the Saskatchewan Legislative Assembly are subject to the guidelines contained in the *Rules and Procedures of the Legislative Assembly of Saskatchewan*. Please observe the following points:

12. The audio-video tapes which are produced by the Legislative Assembly may be shown by television stations and/or cable casters live or by means of recordings. The broadcasts should be shown with discretion and without any purposeful distortion.

14. Members can obtain copies of the audio-video tape of their own speeches in the Chamber for public consumption, and can obtain and use copies of other members' speeches if those members give their written permission for such use to the Speaker of the Legislative Assembly.
15. The use of the audio-video tapes of the legislative proceedings shall be forbidden during any Saskatchewan provincial election or by-election.

Further to the above, the material is available to the public for personal use and for study and research.

The Accession Numbers for this collection are R80-918, R81-244, R81-583, R82-407, R83-132, R84-5, R84-481, R86-118, R86-485, R86-495, R87-068, R88-141, R90-097, R91-254, R92-260, R93-179, R94-165, R95-173, R96-204, R97-220, R98-151, R99-172, R2000-066, R2001-057, R2002-044, R2003-065, R2004-164, R2005-364, R2006-297.
