12 maps
7 architectural drawings
18 sound recordings
1 moving image
2 transparencies

Office of Origin

Primary Agency	Dates	Secondary Agency
Saskatchewan Government Insurance Office	1944-1980	Office of the General Manager

Direct Acquisition from Responsible Agency The Manager of Central Records, Saskatchewan Government Insurance (SGI) transferred these records to the Regina office, Saskatchewan Archives in two accessions between 1990 and 1993: R1990-287 (October 16, 1990) and R1993-221 (May 18, 1993).

Scope and Content This series consists of administrative and operational records created, accumulated and used by the General Manager and other executives of the Saskatchewan Government Insurance Office from its initial organization as a provincial insurance agency in 1944 to September 22, 1980.

This series consists of 9 sub-series: General Manager;

Secretary/Assistant General Manager; Financial Officers; Assistant Secretaries; Claims Executive; Underwriting Executive; Production/Marketing Executive; Executive Officers; Operational Sundry.

The types of records included are correspondence, memoranda, annual reports, publications, directives, manuals, agendas and minutes, press releases, newspaper clippings, legislation, financial statements and budgets.

Multi-media records are contained in the series.

Access Restrictions	These records are subject to access restrictions. Please consult reference archivist for assistance.
Terms Governing Use	Use, publication and/or reproduction of these records are subject to Crown copyright. Please consult reference archivist for assistance.
Reference Tools	SAFA 33 consists of series, sub-series, file and item level descriptions. The electronic finding aid consists of file level listings for textual records. Item level descriptions of photographs, sound recordings, moving images, maps and architectural drawings are available in electronic format. See reference archivist for assistance.
Physical Condition note	Records are in good physical condition.
Conservation note	Archival staff replaced all of the original file folders with acid-free folders. Newspaper clippings and other fragile documents were photocopied. Metal clips, elastic bands and other fasteners were removed. Large, unmanageable files were split into smaller parts
Accruals	No further accruals are expected.
Source of Description	Content of series Records retention and disposal schedules Box transfer lists
Notes	Location for retrieval: Regina-Hillsdale. Some photographs, posters, maps and architectural drawings have been retained in the textual record to preserve context.
Consulting the Records	To consult the records, visit or contact the Regina office.
Arrangement Note(s)	Overall series arrangement imposed by archivist and archival assistants. Lower levels of arrangement based on content of files, records retention and disposal schedules and functional analysis of organizational structure of General Manager's office.

Identification of sub-series based upon the positions and duties/responsibilities of the Office within the organizational hierarchy. Sub-series titles supplied by archival assistant. All file titles provided by record creators except where indicated in square brackets.
